4.0 OBSERVATIONS

- a. The three best performing Sector Commands are RS2.1, RS5.3 and RS7.2 respectively.
- b. Many Sector Commands are still finding it difficult to utilize the approved 'Quarterly Verification of Accomplished Tasks and Assessment Template' for articulating their quarterly compendium of activities.
- c. Overall average performance by Sector Commands is 41.84%, and this falls below the set threshold pass mark of 60%.
- d. Two Sector Commands(RS2.1, RS5.3) representing **8.1%** passed the Q1, 2016 assessment by scoring 60% and above.
- e. Five Sector Commands(RS2.2, RS5.3, RS7.2, RS9.3& RS10.3) representing 13.5%,recorded an improvement in their Q1, 2016 performance compared with Q1, 2015.

4.0 OBSERVATIONS cont.

f. Fifteen Sector Commands representing 40.5% recorded a decline in their Q1,2016 performance compared with Q4, 2015.

g. Seven Sector Commands (RS1.1, RS1.4, RS3.1, RS3.3, RS10.3, RS11.3 & RS12.2) forwarded no special reports indicating zero compliance with RSHQ directives in respect of New Year/Easter Special Patrols and FRSC Anniversary which took place within the period under review.

4.0 OBSERVATIONS cont.

h. Only fourteen Sector Commands conducted surveillance on their patrol Operatives within the quarter, while just four(RS1.3, RS2.1, RS5.3 & RS7.1) out of these recorded an arrest each, showing a general lack-lustre attitude by Field Commands to stemming the rising tide of extortion by patrolmen.

i. RS5.2, RS11.2 & RS12.2 conducted no Road Safety Audit exercise within the quarter.

j. RS5.3, RS11.1 & RS11.2 forwarded no records of their vehicle maintenance activities in the quarter.

5.0 RECOMMENDATIONS

In view of the poor performance recorded in this first quarter of the year it is recommended that:

- a. An administrative advice be issued to all Sector Commands excluding RS2.1 and RS5.3, that scored below the threshold pass mark of 60% to brace up in the second quarter.
- b. A prototype Quarterly Assessment Compendium be circulated again to Sector Commands to study for guidance during subsequent compendium compilation with a stern warning against further default.
- c. Monthly Monitoring checks to consistently low-performing Sector Commands be facilitated to keep some observed lukewarm commands on their toes in respect of Road Safety Audit, Surveillance and other crucial deliverables.
- d. However, the two best performing Sector Commands that crossed the threshold of 60% pass mark be commended and rewarded in line with Management's CRP policy.

6.0 PRAYERS

Management is invited, to consider and approve the Q1 2016 assessment report with the recommendations proffered.
