USE OF FEMALE MARSHALS FOR DOMESTIC CHORES

It has come to the attention of Management that some senior Officers use female marshals for domestic chores which should not be part of their schedules thereby subjecting them to undue harassments and unprofessional conduct.

2. Based on the above, Management has directed that henceforth, no female staff should be scheduled for domestic duties as failure to comply with this directive would be severely sanctioned appropriately.
3. Furthermore, any female marshal engaging in such illegal domestic work must desist forthwith or be equally sanctioned adequately to serve as a deterrent to others.
4. You are properly guided.
