

FAKE NEWS ON POSTING OF NEW ROAD MARSHAL ASSISTANTS (RMAs)

I have instructions to intimate Commanding Officers that there is presently a posting titled POSTING OF NEW ROAD MARSHAL ASSISTANTS (RMAs) being circulated. Critical study of the list by CIO revealed that it is the posting of RMAs that was released in 2011 as their PINs are showing *M-1107 and there is no administrative instruction attached to the list being circulated.

CM directs that I intimate Commanding Officers to notify staff under them that this is a very old information and also warn them to desist from circulating information that has no authorization.

Please have the assurances and regards of the Corps Marshal

Bisi Kazeem,

Corps Commander,

Corps Public Education Officer,
