SECURITY TIPS: WEEK THIRTY EIGHT (38)

Security tips to stay safe during shopping:

- a) Keep all purses and bags zipped and snapped closed.
- b) Do not flash large amounts of cash when paying for goods or services.
- c) If using a credit card, keep the card close to your body so the card number will not be photographed or captured by a cell phone or any other electronic gadgets.
- d) Always shop with a friend, you are less of a target when you have someone with you.
- e) If you have to receive a phone call or text message, guard your goods and do not get distracted while shopping.
- f) Let someone know where you are going and what time you may be returning.
- g) If using a shopping cart, try to secure your purse or bags with the child locking system.
- h) Do not carry large amounts of goods at one time.
- i) Carry only a minimum amount of credit cards at one time.
- j) If you feel uncomfortable in a situation, contact the shop security Officer.
- k) Report any suspicious people to the store security or customer service.
- l) Keep children secure in a stroller or shopping cart at all times.

2. Kindly brief all staff under your purview.
