IMPERATIVE FOR STAFF TO KNOW THEIR HEALTH STATUS AND TO SEEK APPROPRIATE MEDICAL ATTENTION

The above subject refers.

2. Management is worried at the alarming rate at which the Corps is losing staff across ranks due to undisclosed illness. This partly has been traced to poor attitude of staff towards health care and partly due to patronage of traditional healers/native doctors who complicate the health cases.
3. Management has also noted that staff are reluctant to inform the Corps of their health status, thereby leading to fatalities because staff struggle to raise funds for treatment. The Corps Marshal wishes to reiterate that it is the responsibility of the Corps to take care of the wellbeing of staff. A healthy workforce will guarantee a healthy productive organization.
4. Consequently, Management directs that every staff henceforth must register with any Government Health Care facility in the country under the cover of the National Health Insurance Scheme (NHIS), this is to ensure proper medical care.
5. It is therefore imperative that staff should subject themselves to periodic medical checkups in any Government health facility in the country at least twice in a year.
6. Henceforth, staff should inform their Commanding Officers of their health status, and where a staff needs medical attention that requires the intervention of Management, the CMRO should be contacted to activate the process as appropriate.

Restricted

7. Note also that only original medical bills/invoices from Government Hospitals can be presented to Management for possible refund. Staff can also reach the CMRO on 08077690056 and are guaranteed of the confidentiality of their medical condition.
8. Commanding Officers are directed to bring this circular to the notice of all staff.

DCM Ojeme I Ewurdjakpor, *fdc, NPOM*

Deputy Corps Marshal (Admin & Human Resources)
