FRSC IT SECURITY AWARENESS ON OFFICIAL EMAIL USAGE

Management has observed with dismay that some personnel are in the habit of using their official email or Command's email addresses for personal and unofficial purposes, such as registration on e-commerce platforms, opening of bank accounts etc.

2. All staff are by this notice advised to desist from such practice, as it is against the Acceptable Email Use Policy of the Corps and could expose the Corps to unhealthy penetration and intrusion to the Corps IT critical infrastructure thereby posing serious cybersecurity threats.
3. Consequently, any personnel caught using official email for personal or unofficial purposes will be appropriately sanctioned.
4. Heads of Departments, Corps Officers and Commanding Officers are requested to bring this to the notice and understanding of personnel under their purview.
5. You are properly guided.
