ADJUSTMENT OF JOB SCHEDULE FROM MARSHAL DRIVER (MD) TO GENERAL DUTY MARSHAL (M)

The above subject refers.

2. Following the conclusion of Comprehensive Staff Physical Audit (Head Count) of all Commands/Formations National-wide conducted recently it was revealed that some Commissioned drivers cannot drive, therefore the use of MD prefix on their PIN is inappropriate.
3. After the exercise it was discovered that One Hundred and Ninety Four (194) Commissioned Drivers on the attached list cannot drive, therefore their PIN prefix is changed from "MD" to "M" and are henceforth converted to General Duty Marshals.
4. Consequently, they are directed not to handle schedule relating to driving any official vehicle and operating any official motorized equipment.
5. As general duty Marshals, their career progression henceforth will be in accordance with the Corps policy as it affects General Duty Marshals.
6. The records of the affected Marshals have been adjusted accordingly.
7. Commanding Officers are to bring the content of this circular to the affected staff.
8. Thank you.
