JOINT HOMEOWNERSHIP OPPORTUNITY FOR COUPLES IN FRSC

The FRSC Housing Cooperative is pleased to announce that married couples within the Corps are now eligible to jointly subscribe to housing schemes and land initiatives under the Housing Cooperative and enjoy full access to all associated benefits.

Under this arrangement, both spouses who are FRSC personnel can co-own a property by sharing the financial obligations, with deductions applied separately to their respective salaries. This initiative is aimed at easing the burden of payment, increasing accessibility to homeownership, and strengthening family stability through shared responsibility.

Key Highlights:

- Couples can co-own any property offered under the Housing Scheme.
- Deductions will be shared proportionally between both spouses based on agreed terms.
- All standard benefits (e.g., subsidized equity contribution, NHF facilitation, allocation priority) apply.

How to Subscribe:

1. Obtain and complete the Joint Expression of Interest Form from the FRSC Housing Cooperative.
2. Submit completed forms for processing and verification.

This opportunity is designed to encourage financial inclusion, promote family-oriented homeownership, and enable more FRSC personnel to become proud homeowners.

For inquiries or further clarification, please contact the FRSC Housing Cooperative Office.

Together, we build not just houses, but homes.
