The FRSC Housing Cooperative Society is pleased to inform all subscribers who have expressed interest and completed the necessary documentation and payment process for land acquisition at the FRSC Homes Estate, Kuchiyako III Layout, Kuje, that their offer letters are now ready for collection.

All such subscribers are by this notice requested to visit the FRSC Housing Cooperative Office at the National Headquarters to collect their offer letters without delay.

To collect by proxy, the subscriber should send copy of his/her valid means of identification for proper verification and documentation.

Additional Information:

We also use this opportunity to invite other interested FRSC personnel, Special Marshals, and members of the general public who are yet to subscribe to this land ownership scheme to do so without further delay. Limited plots remain available on a first-come, first-served basis.

The land is suitable for building a 3-bedroom standalone or 4-bedroom fully detached duplex with BQ, and comes with a complete building design package at no extra cost.
